Independent Auditor's Report

Board of Directors American Indian Family Center St. Paul, Minnesota

We have audited the accompanying financial statements of American Indian Family Center, which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities, functional expense, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of American Indian Family Center as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Our programs provide mental, chemical and behavioral support, case management, and resources. We use a holistic and traditional approach, incorporating healing aspects such as ceremony and traditional practices. Behavioral Health Service programs include: Healing Generations: Therapy and Case Management Program, Wakanyeja Kin Wakan Pi (Our Children are Sacred): Recovery and Wellness Program, Oshki-Maajitada (New-to Begin Again): Health and Wellness Program, The Dreamcatchers: Children's Trauma-Informed Program, and Soogizin Dodem (Strengthening Families): Families' Trauma-Informed Program.

Fund Accounting

In order to observe the limitation and restrictions placed on resources available to AIFC, the accounts are maintained in accordance with the principles of fund accounting. This is the procedure whereby resources are classified for accounting and reporting purposes into net asset groupings established according to their nature and purpose. A description of the groupings is as follows:

<u>Unrestricted Net Assets</u> – Net assets which are neither permanently nor temporarily restricted by donor-imposed stipulations. These net assets include both board designated and undesignated amounts. Property and equipment is reported as unrestricted net assets.

<u>Temporarily Restricted Net Assets</u> – The part of net assets of AIFC resulting from contributions and other inflows of assets whose use is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions pursuant to those stipulations.

1. Summary of Significant Accounting Policies (continued)

Promises-To-Give (Grants Receivable)

Unconditional promises-to-give are recognized in the period the promises are made. Conditional promises-to-give are recognized when the conditions on which they depend are substantially met, that is, when the conditional promise becomes unconditional.

Property and Equipment

All major expenditures for property and equipment over \$1,000 are capitalized at cost. Contributed items are recorded at fair market value at date of donation. Depreciation is provided through the use of the straight-line method.

Contributions

Contributions are recorded when received and recognized as support in the period received. If donor-imposed restrictions accompany the contribution, the amount is recorded as temporarily or permanently restricted until the donor-imposed restrictions expire or are fulfilled. Temporarily restricted net assets are reclassified to unrestricted in the period donor-imposed restrictions expire or are fulfilled and are reported in the Statement of Activities under the Support and Revenue Category – Net Assets Released from Restrictions.

Government Grants and Contracts

Government grants and contract funds are recorded as revenue when earned. Revenue is earned when eligible expenditures, as defined in each grant or contract, are made. Funds received but not yet earned are shown as refundable advances. Expenditures under government contracts are subject to review by the granting authority. To the extent, if any, that such a review reduces expenditures allowable under these contracts, AIFC will record such disallowance at the time the final assessment is made. AIFC provides an allowance for doubtful accounts based on historical experience and management's evaluation of outstanding accounts receivables. The balance of the allowance for doubtful accounts is \$41,184 and \$40,000 for the years ended June 30, 2018 and 2017, respectively.

<u>Functional Allocation of Expense</u>

Salaries and related expenses are allocated based on job descriptions and estimates. Expenses, other than salaries and related expenses, which are not directly identifiable by program or supporting service, are allocated by AIFC's indirect cost allocation system.

1. Summary of Significant Accounting Policies (continued)

Income Tax

AIFC has a tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and has adopted Accounting for Uncertainty in Income Taxes, ASC 740-10. AIFC's policy is to evaluate uncertain tax positions, at least annually, for the potential for income tax exposure from unrelated business income or from loss of nonprofit status. AIFC continues to operate consistent with its original exemption application and each year takes the necessary actions to maintain its exempt status. It has been classified as an organization that is not a private foundation under the Internal Revenue Code and charitable contributions by donors are tax deductible. In compliance with its exempt status, AIFC annually files a Return of Organization Exempt From Income Tax (Form 990).

Risks and Uncertainties

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

Subsequent Events

AIFC has evaluated the effect that subsequent events would have on the financial statements through April 17, 2019, which is the date financial statements were available to be issued.

2. Financial Instruments

AIFC provides services within the Twin Cities area. The amounts due for grants and contracts receivable are from local governments or institutions.
